EXTILE FRAME DISPLAYS

www.bannerad.com.au

BANNER AD™

- **Borderless Graphic Frame**
- **Easy Assembly & Transport**

TexStand

TexFit

FEATURES & BENEFITS

- ❖ **Borderless Graphic Frame** - Virtually invisible frame edges. Able to seamlessly tile multiple panels.
- ❖ **Quick Graphic Change** - Silicon strip attached fabric edges for slip-on-slip-off textile printed graphics.
- ❖ **Easy Assembly** - Hex Key assembly & dismantle.
- ❖ **Easy Transport** - Flat packed for safe & compact shipping in compartmented box.
- ❖ **Huge Savings on Graphic Replacement** - Replace graphic only, not frame & save on freight costs.
- ❖ **Wide Application Possibilities** - Wall mounted graphics, double sided free standing displays, large murals...
Ideal for retail establishments, exhibition venues, corporate foyers & offices.
